NO PERMIT

Special Filming Conditions for Los Angeles County Beaches

TORRANCE BEACH

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

These conditions have been drafted by the Los County Department of Beaches & Harbors to help facilitate filming on Los Angeles County Beaches.

- No parking, blocking or staging in handicap spaces, meters, electric charging stations or Pay and Display machines
- No filming, staging or parking on ramps or ramp tarmac. Ramps are for emergency access only and must be kept clear at all times.
- May not interfere with lifeguard or maintenance activities at any time.
- May not interfere with scheduled beach activities or special events.
- May not block public or emergency access at any time.
- Companies must make parking arrangements for parking in LA County parking lots through Parking Concepts, Inc (PCI) prior to first film date. Sign removal in LA County parking lots is prohibited.
- **Lifeguard towers must be indicated on permit.**
- No catering or craft services allowed on pedestrian walkways or bike path.
- No animals allowed unless prior approval from Beaches & Harbors and FilmL.A. and indicated on permit. *All dogs must remain on leashes and off sand when not filming.*
- **Use of 4-wheel drive vehicles on the beach are approved for equipment transporting only. No joy riding on vehicles on the beach at any time. Vehicle speed is limited to 5 mph at all times.**
- **NO DRIVING SCENES ON SAND.**
- Digging holes less than five (5) feet deep must be approved by Beaches & Harbors and indicated on the permit. Holes deeper than five (5) feet will require Cal Osha approval (213) 576-7641 with written approval to Beaches & Harbors.
- If use of maintenance or lifeguard personnel is required, it must be reflected on the permit and call times indicated. ***Lifeguards require 24 hour notice to be hired with a 4 hour minimum requirement. Maintenance also requires 24 hour notice to be hired.*** *A County Lifeguard is required for any filming that occurs on a beach or parking lot after hours (2200-0600 hrs). There is a 4 hour minimum and an additional 8 hours for all after hours filming.*
- Tent use must be indicated on permit. *No staking into parking lot. Sandbags must be used.*
- **All equipment must be 10 feet from bike path. Companies must fly cables over bike path.**
- **For Automobile commercials: The filming allowed under this permit shall not include promotional material, which implies endorsement by Department of Beaches & Harbors, nor can it depict identifiable Beach features or structures, which convey that implication.**
- **Dual permit required with the City of Torrance.**

NOT A PERMIT

PARKING LOT GUIDELINES
FOR THE USE OF COUNTY PARKING LOTS
OPERATED BY PARKING MANAGEMENT COMPANY

- **THE PRODUCTION COMPANY IS PROHIBITED FROM PARKING IN DISABLED PARKING SPACES, SHORT-TERM METERED OR BLOCK ANY PAY STATIONS AT ANYTIME (NO EXCEPTIONS).**

- The production company may not block public or emergency access or park vehicles in any front row adjacent to local businesses at Venice Beach at any time (see parking lot maps).

- A walk through is to be conducted after the production company has parked all of its vehicles. This walk through is to be done by the location manager (or designated representative) and a parking contractor supervisor to determine the exact number of spaces being utilized and that number is called into the parking contractor's office. The location manager must make arrangements to meet again with the parking contractor supervisor at a designated time to confirm spaces prior to vacating the parking lot and again that number is called into the parking contractor's office.

- The production company will be invoiced for any additional spaces occupied by cast/crew members' cars, equipment vehicles and coned-off spaces.

- Production companies wanting to use parking spaces at one of the parking contractor operated parking lots on the beach or in the Marina del Rey area must contact the parking contractor directly (310.821.1081) and speak with office management. Normal business hours are Monday through Friday, 8am to 5pm.

- Parking fees are **not** included on film permits. A film permit number must be provided to the parking contractor and the contractor will provide the production company **estimated charges** for the use of the parking lot(s). Payment arrangements must be made with the parking contractor directly at least one business day prior (and before 4pm) for the use of the parking lot(s).

- Cancellations of a parking contract must be done at least one day prior. Refunds will be given within ten to twelve weeks.

- A parking contract does not constitute a film permit.
